IMPACT

REPORT

M·A·C VIVA GLAM WAS CREATED IN 1994 BY M·A·C FOUNDERS FRANK TOSKAN AND THE LATE FRANK ANGELO IN RESPONSE TO THE HIV/AIDS EPIDEMIC DIRECTLY AFFECTING THEIR COMMUNITY.

30 YEARS LATER, M·A·C VIVA GLAM HAS RAISED \$530+ MILLION USD — SIMPLY BY SELLING LIPSTICK.

Back when M·A·C was ten years old and beginning to take off, Frank and Frank saw an opportunity to use their platform to help those in need. To raise money, they created the first M·A·C VIVA GLAM Lipstick, which gave back 100% of the selling price to organizations supporting those living with or affected

by HIV/AIDS. In the early days, those funds mainly served local soup kitchens and homeless shelters that welcomed this community with open arms and zero judgment. Frank and Frank aptly named the cause, VIVA GLAM, combining VIVA for “life” with GLAM for doing good via Makeup Artistry. Each year,

a celebrity spokesperson, who embodied the M·A·C VIVA GLAM mission, was selected to champion and celebrate this bold and disruptive initiative – a tradition still upheld today through our expanded effort to support healthy futures and equal rights for all.

SPOTLIGHT STORY

"I am Iffat Khan from Mumbai, India. I didn't gain much knowledge about feminine care or reproductive health until I was around 14 years old. The SRHR program provided me with comprehensive insights into healthy hygiene routines, which significantly improved my self-esteem as a girl and young woman. I was eager to share my newfound knowledge with my family and the broader community, working to break the silence surrounding this sensitive topic. Through this experience, I acquired valuable information about health and reproductive rights, empowering me with confidence and control over my own body. I am committed to teaching and sharing my knowledge with other girls in my community, aiming to enhance our overall quality of life." - IFFAT KHAN

VIVA

GLAM

The tight-knit M•A•C team works together, plays together and supports M•A•C VIVA GLAM together. Because giving back to the community plays a pivotal role in our corporate culture, M•A•C hosts a variety of volunteer-based events each year for employees around the world. Here are a few of the highlights:

WORLD AIDS DAY

On World AIDS Day, M•A•C demonstrated its unwavering commitment to the **GLOBAL** fight against HIV/AIDS through a series of impactful initiatives spanning multiple continents.

In **NEW YORK CITY**, M•A•C partnered with Community Healthcare Network to offer free and confidential rapid HIV testing outside its SoHo store, encouraging individuals to prioritize their health and know their status. Simultaneously, the brand’s annual World AIDS Day Global Volunteer Initiative celebrated its 15th year, as M•A•C employees worldwide dedicated their time to volunteer with local M•A•C VIVA GLAM grantee organizations. Employees also notably volunteered with God’s Love We Deliver, providing medically tailored meals and support to those living with HIV/AIDS and other chronic illnesses. Every day is World AIDS Day at M•A•C.

In **BRAZIL**, employees rallied together in an extraordinary mobilization, donning M•A•C VIVA GLAM T-shirts and creating informative content to raise awareness on social media. Their efforts extended to volunteering at Grupo de Incentivo à Vida, where they shared makeup techniques and distributed Lipstick as symbols of solidarity. The initiative resulted in a remarkable 225% increase in philanthropic M•A•C VIVA GLAM Lipstick sold and a 260% increase in revenue compared to the previous year, highlighting both our brand’s dedication to the cause and our ability to drive meaningful change through Makeup Artistry.

AIDS WALK

The M•A•C Cosmetics team recently participated in the 38th annual walk, which raises funds for primary beneficiary Gay Men’s Health Crisis (GMHC). In 2023, the M•A•C Cosmetics team members raised \$44,000+, which was matched by M•A•C VIVA GLAM for a total donation of \$88,000 to the organization. The dedication from our employees earned M•A•C the title of #1 Corporate Fundraiser for the second consecutive year and #4 fundraising team overall.

TEEN’S KEY & SOCIETY FOR AIDS CARE

Last holiday season, M•A•C partnered with Teen’s Key, a local NGO in **HONG KONG**, focused on supporting teenage mothers, to provide makeup services and help promote self-confidence and empowerment. Additionally, the team collaborated with The Society For AIDS Care to host an AIDS care-related sharing session, educating internal employees and raising awareness. On this poignant day, over 30 employee volunteers assembled food packs and crafted holiday gifts for communities in need, exemplifying M•A•C VIVA GLAM’s ongoing commitment to making a positive impact in the lives of those living with or affected by HIV/AIDS.

RED RUN

M•A•C Cosmetics **UK** and **IRELAND** was a proud Platinum Sponsor of the 2023 Red Run in London, helping to raise over £230K+! Our global network of 13,000+ M•A•C Artists (and counting) is a driving force in raising M•A•C VIVA GLAM awareness – both in-store and out.

CELEBRATING PRIDE IN TAIWAN + THAILAND

Across the **ASIA-PACIFIC** region, M•A•C Cosmetics celebrated Pride Month with vibrant and impactful events across Taiwan and Thailand, showcasing unwavering support for the LGBTQIA+ community around the world.

In **TAIWAN**, M•A•C proudly sponsored the 21st LGBTQIA+ Pride parade, where over 170,000 attendees embraced the theme of “Spread the Love.” M•A•C employees and supporters donned T-shirts as they marched alongside the parade route, symbolizing their commitment to inclusivity and equality.

M•A•C Cosmetics **THAILAND** took a bold stance for VIVA GLAM during the Bangkok Pride 2024 celebration by creating original social media content, in collaboration with the retailer Icon Siam. The “Pride Out Loud Moment” communications supported makeup services at counters for hundreds of guests, with an aim to celebrate diversity and promote the values of equality.

These initiatives underscore our dedication to fostering a culture of acceptance and empowerment, where diversity is celebrated and all individuals are encouraged to express their true selves with pride.

VIVA GLAM FRIDAYS

VIVA GLAM makes Friday even better each and every week. To kickstart the weekend, Artists spread the VIVA GLAM GOOD NEWS on social by sharing their favourite looks, Lipstick facts and meaningful stories. To celebrate in-store, Artists wear M•A•C VIVA GLAM merch with pride and ring the VIVA GLAM bell every time a person purchases the Lipstick that gives back 100%.

VIVA GLAM ARTIST AMBASSADOR PROGRAM

To drive excitement around our 30th anniversary, M•A•C kicked off a VIVA GLAM Artist Ambassador challenge on TikTok and Instagram in January. The prize? An all-expenses-paid trip to **INDIA** to visit our partner Plastics for Change Foundation, where Artist ambassadors learned more about sustainability and the M•A•C VIVA GLAM mission.

Although raising \$530+ million over the past 30 years is an incredible accomplishment, we need you to keep the M·A·C VIVA GLAM momentum going so we can reach our goal of raising the next half-billion dollars to support sexual, racial, gender and environmental equality for all.
